Businesses are challenged to stay ahead of the latest trends and competitive developments while building a responsive and agile IT capability to support growth. However, since everyone has access to the same tools, technology alone does not offer a competitive advantage. Your advantage depends on how you apply technology—more specifically, on the people who lead, support and optimize your IT initiatives.

TEKSYSTEMS | is a subsidiary of Allegis Group, the largest private talent management firm in the world. Our longstanding history and industry-leading position speak to our success in providing the IT staffing solutions, IT services and talent management insight required for you to actualize ROI and sustain a truly competitive advantage in a fast-changing market.

Founded in 2001, Apex Performance Solutions is a strategic consulting firm specializing in Project Management, Learning Solutions, and Quality Assurance. Apex is committed to delivering projects on time, on budget, and with high quality, while providing impactful results that meet an organization's business objectives. Apex continues to grow by staying current on the latest industry trends while adapting to market demands as technology and projects become increasingly complex.

About Project Weavers, LLC. Founded on the principle that Successful Projects Don't Happen by Chance, our business is teaching basic and advanced project management skills and PMP and CAPM certification exam prep classes in-person in over 100 cities around the United States and live online to anyone, anywhere, with an Internet connection.

An American company, Project Weavers is a Veteran-Owned Small Business (VOSB) founded, owned, and operated by Matthew Weaver. Our staff includes two PhD., four published authors, and most, like Matthew, are military service veterans. Several are recipients of PMI and industry awards and recognition, and all volunteer with PMI global and chapter groups, plus other non-PMI groups. All of our instructors are senior project managers with years of experience in military, government, commercial, and non-profit environments. Most are veterans, some are published authors, all are experts in teaching project management. Project Weavers is accredited by the Better Business Bureau (BBB).
